

Is your group in one of these locations?

Pawtucket

Central Falls

East Providence

sliver of Providence

North Providence

If so, your group is located in DISTRICTS 2&4 within AREA 61 - all part of the General Service Structure for the US & Canada.

Our co-founders put the General Service Structure in place to give the groups the voice & vote for our fellowship, far beyond Rhode Island.

Is your group represented at the District? Does it want to be informed about, and have a voice & vote in, the affairs of the fellowship as a whole?

Send your GSR, or any group representative, to the next meeting to learn more.
